NAINI
Ethically Firm. Environmentally Strong

PESTICIDE POLICY

Naini Papers Ltd will endeavour to make its associated farmers aware of the safe use of chemical pesticides, promote non-chemical methods of Pest Management through rigorous training, monitoring and periodic assessment under our Farm-Forestry Programme.

Naini Papers Ltd advocates a policy of adherence to the following principles:

- The identification and avoidance of 'highly hazardous' pesticides.
- Promotion of non-chemical methods of pest management as an element.
- of an integrated pest and vegetation management strategy.
- Appropriate use of the pesticides that are used.

Date: 13th June, 2025
